

St. Joseph's School Adelong

To be God's hands in our homes, our school and our world.

16th March 2017

Dear Parents

St Joseph's Year 6 students will participate in the Aspirations Program held in Young. The Aspirations program is run by the Australian Catholic University (ACU). The program allows small regional schools the opportunity to go to a bigger school and work with others collaboratively. Students create a project over the four sessions and this year it is science based.

Dates of Aspirations are as follows:

1. Wednesday 22nd March
2. Wednesday 24th May
3. Wednesday 21st June
4. Wednesday 23rd August

Students will travel by bus with students from St Mary's Batlow. Miss Braun will accompany the students for the day. There will be no cost to the families for this program.

The Aspirations program is a fantastic opportunity for the students.

Yours faithfully

Kirsty Beavan
Principal
