

NEW STUDENT

DROP OFF & PICK UP AREA

- ⇒ From **28.04.2014** (First Day Term 2) during school hours, St. Joseph's students are required to be dropped off and picked up from the new parking area in Gundagai Street.
- ⇒ No access for parents and their cars into the parish/school grounds (except on wet weather days).
- ⇒ Cars need to park on the school side of the road in Gundagai Street at both drop off and pick up.
- ⇒ **Drop off** - cars are to park on roadside and parents need to bring the students in through the front gate. Students are to walk up the driveway into school.
- ⇒ **Pick up** - park cars on roadside and wait for students inside the front gate. The teachers will walk the students to the front gate for parents to collect and take to car.
- ⇒ **Wet Weather** - if raining cars need to drive through the parish carpark (via Wyndham Street) and line up from the wet weather/eating area shed to collect students one at a time.
- ⇒ Current Bus Zone will remain the same in Wyndham Street.
- ⇒ Normal road laws apply to the on street parking.
- ⇒ New parking area changes have been made for a safer drop off and pick up for students and parents. We ask that you please inform your relatives and friends of the changes.

If you have any questions regarding the new drop off and pick up area please do not hesitate to contact the school.
