To be God's hands in our homes, our school and our world

2017

Term 2, Week 10

28th June

## A Message from our Principal

Dear Parents

Last week of Term two has been action packed with many things happening. The primary class were tree planting yesterday afternoon at the Adelong creek. A big thank you to Marlene Pearce who organised the activity. We are glad that St Joseph's could play a small part in assisting our community with the upkeep of our local environment.

The children are looking forward to sharing their published works with you all on Thursday afternoon, followed by assembly at 2.45.

I would like to wish all our St Joseph's children a fabulous break, and hope they take the time to recharge their batteries and to recover from the many illnesses that have been present in the last couple of weeks. Have a great holiday, looking forward to another great term full of teaching and learning.

Have a break.
