## A Message from our Principal

Dear Parents,

The weather has not been kind to us for the start of our swimming program. The infants class have missed out on two lessons, however we will see if we can book the pool for a make up lesson, towards the end of the term.

There has been lots of sickness this week – a gentle reminder that if your child is away for more than two days a doctors certificate is required. Also remember that you have 7 school days to notify the school of any absence.

The children have been great helpers this week in spreading the softfall around the playground equipment. Many hands make light work!

Staff continue their Professional Development this week with a visit from Colleen Caddey, Senior Officer from CE. Miss Braun, Mrs Dean and myself will also head off to Wagga on Friday for a Learning Progressions Day.

The Infants children did a wonderful job at reading at Mass today. Charlies first reading was all about the single commandment – You must love your neighbour as yourself. These are great words to live by.

Have a great week

**Kirsty Beavan**

This is my **prayer** for you:  
**smiles** when sadness intrudes,  
**laughter** to kiss your lips,  
**hugs** when spirits sag,  
**friendships** to brighten your being,  
**confidence** for when you doubt,  
**courage** to know yourself,  
**comfort** on difficult days,  
**rainbows** to follow the clouds,  
**sunsets** to warm your heart,  
**beauty** for your eyes to see,  
**faith** so that you can believe,  
**patience** to accept the truth,  
**love** to complete our life.

God bless

## Look at What We're Reading!

### Edward: Just Crazy

This is an Andy Griffith Book. I like Andy Griffith books because they are funny. I have only started this book but I am enjoying it so far. It is part of series of books Andy Griffith wrote.

### Anna: The Girl Who Rode Like the Wine

I like this book because it is about horses. The story is about a girl Jockey named Lola who enters her horse in the Palio de Siena race. A famous horse race

### Faith: Wake up Mum

I liked this book. They wake up Mum to feed the Animals. I woke my mum up when I got money from the tooth fairy.

## ADELONG SWIMMING CLUB

A Club Night will be held every 2nd Thursday (with no training on that night) which is a fun night for the kids to practice racing and have their times recorded to show their improvement through the season. The first club night will be held this Thursday 9th November.

If you would like to join Adelong Swimming Club, if you could register your child online with Swimming Australia - My Lane. ([swimming.org.au](http://swimming.org.au)) You will need to register yourself first as a non-swimmer and then add family members. Non-swimmers are \$20.50, Swimmers are \$77 and Junior Dolphins are free. This registration includes your Swimming Australia member insurance and also the Adelong Swimming Club membership fee. As the pool entry is free this year (!! ) that will be all you have to pay. There are other forms that need to be signed and these will be available at training. If your kids are unsure if they want to join, they are welcome to come along and have a try, before they are registered.

We ask that swimmers have goggles for their first training season and once they have been allocated to their coach, they will be advised if flippers are necessary or not. Jill's group need flippers, Rob's do not.

Looking forward to a great season of swimming! 🏊‍♂️🏊‍♀️
