

St. Joseph's School Adelong

To be God's hands in our homes, our school and our world.

7th February 2017

Dear Parents,

As our new school year starts we would like to make sure our contact details for families and students are up to date. There have been a few glitches with emails in the first week so we are asking you to complete the form below and return to school as soon as possible. If you have more than one email address and you would like notes/newsletters sent to both please write all of the addresses below. Many of our parents are finding that they are not receiving emails, and they are sitting in Junk folders, so again please check and add us to your safe senders list. The newsletter will be sent home this Thursday 9th February due to the swimming carnival tomorrow.
