Dear Parents

Welcome back for Term 4. It is hard to believe that the year has gone so quickly! Term 4 is normally quite a busy time and this year looks to be no different. I hope all families had a wonderful break and time to relax and re-energise ready for the last term.

Welcome
back to
Term 4

Next Wednesday and Thursday, our Small School Relay Team head off to Sydney to compete in the PSSA Athletics Carnival. We all wish them well for this event. If team members could bring their runners on each school day before they head off, we will practise during lunchtimes.

Our Kindy Orientation continues next week as we prepare for the new Kindies for next year. It has been wonderful to get to know them last term and we look forward to them coming again this term. They are very excited and eager, which has been a delight to see.

We are planning a Working Bee here at school on Saturday 27th October to attend to some jobs that have gotten away on us at the beginning of Spring. If you can spare an hour or so on this Saturday to help do some of the jobs listed in the newsletter (and you are able to bring along some of the equipment needed) this would be great.

Growing Up

With each new day that dawns I am
growing up, O Lord.
It's not too soon to start thinking
of what I want to be.
It's very hard, I think,
to make the right decision
but I pray that you will help
and guide me.

Show me what to do,
let me share, someday,
my talents where they're needed.
And when you show me,
give me courage to be generous enough
to do what you want.
Amen

Shoelace tying

Following are some strategies to help your child learn to tie their shoelaces:

- Use verbal cues. Talk through the process, ie. make a 'X' with the laces, bring one lace through the bottom of the 'X', pull tight, etc.
- Initially it may be easier for your child to practice with the shoes facing them on a table rather than with the shoes on their feet.
- Use two different coloured laces so that your child can discriminate between each lace. This can also be helpful for instructions, ie. 'take the blue lace'.
- Mix things up! Try wrapping packages and tying them with string. Tie knots in scarves, ribbons or pipe cleaners.
- Use a star chart for shoelace tying. Discuss a reward with your child if he/she ties their shoelaces each day for a week.
- Practice, practice, practice!

RAMOS MUSIC from Tumut have contacted the school offering an 8 week music program to be held at the school for students in years 2-6. The lessons would be held in small groups of 6-8 at a cost of \$115 per student. A minimum of 10-15 students is required. If your child is interested please let the school know.

Adelong Junior Cricket Club Training and Registration. This Friday 4.30 - 5.30 at the Adelong Showground.
